

Recovering TRACES Login Without User ID & Password (With Only TAN)

Description

ID Only Have TAN number but No TRACES User ID & Password?

Follow these steps:

- 1** Deposit a challan for the current quarter using the TAN.
- 2** File the TDS return for the same quarter through a TIN Facilitation Centre.
- 3** Once the return is processed, TRACES will ask for:

The latest deposited challan

The latest filed return details for recovering

Using these details, you can recover your TRACES login credentials successfully.

Request professionals to share alternative methods, if any!!
