#### Sharing Appeal Documents (in Word Format) for S.87A Rebate Demand!!

The issue of rebate under Section 87A is very close to my heart. I've been following it closely since 5th July 2025 — the day this matter arose. I genuinely believe this has caused hardship to many innocent taxpayers.

To support the community, I've compiled and am sharing complete documents for filing appeal in case where rebate is disallowed against STCG on shares u/s S.111A :  Key Facts of the Case

-  Grounds of Appeal
-  Exhaustive Written Submissions
-  Favorable CIT(A) Orders from Mumbai & Pune for attaching

**I'm sharing these documents with all my followers to assist anyone affected.**

 A humble request to fellow professionals — kindly help impacted taxpayers by filing appeals at a nominal fee, as the demand involved is generally limited to ₹25,000 (+ interest).

 Govt appeal fee capped at just ₹1,000.

 If 30 days have passed since Order u/s 143(1), file rectification. On rejection, appeal against the rectification order.

 Please let me know if I've missed out on any point.
